WEST

Free Relocation Flights *for domestic violence survivors*

Leaving home isn't easy.
Let Angel Flight West help.

**Leaving is sometimes
the only solution.**

**But what if your safe place
is miles and miles away?**

Through a network of volunteer pilots and airline partners, Angel Flight West arranges free relocation flights for domestic violence survivors across the 12 Western states.

**All communications
and services are confidential.**

*The costs are donated and
there's never a charge for an
Angel Flight West mission.*
